

FREE Motivational Interviewing Training Course: Improving Provider-Patient Conversations about Vaccines

Overview: Clover's Motivational Interviewing Training Course is designed to familiarize healthcare providers in Motivational Interviewing techniques to target health behavior change (i.e., vaccination) among vaccine hesitant individuals. Live training will be instructed by Dr. Jane Gray, a psychologist and a member of the Motivational Interviewing Network of Trainers (MINT). Following completion of the MI Training Course, MI Coaching Sessions will be provided for additional technical assistance.

Dr. Jane Gray

Dates & Schedule: This training includes asynchronous curriculum (4 hours total) as well as two live training sessions via Zoom (3 hours each) for a total of 10 hours of training. Live Zoom webinars will be hosted one week apart, and asynchronous materials will be made available one week in advance of each live session.

Participants can elect one of three training options:

- Tuesday, November 1 & 8, from 9-12 CT (live)
- Thursday, December 8 & 15, from 12-3 CT (live)
- Tuesday, January 10 & 17, from 12-3 CT (live)

Following the completion of the training, coaching meetings will be available for technical assistance. Four, 1 hour sessions will be hosted January - April 2023.
